

Introduction

“Age-Old Tradition with Modern Technology”

Suman Exports sits at the heart of
Spice City of India - *Unjha, India.*

We have been in the Spices business
for three generations now. Our team is
very well experienced in sourcing spices
from farmers.

We started with Cumin Seeds (Jeera)
and now we deal in 30 products and
have a strong foothold in
National and International markets.

Our Mission

Delighting our customers with the highest quality spices straight from the pristine Indian Farms at a competitive price every time. We believe in producing our products that meet customer's expectation, following the food safety standards.

Our Values

Consistency in Quality
Transparency in Dealing
Safety & Hygeince factor
Processing under strict supervision
Economical pricing - In farmer's favour

Our Brands

Charminar

This brand is for masses with price conscious population in mind without having to compromising on quality. These products are also processed similarly, but the cost is kept economical.

JustSpices

Our premium spices range with exclusive standup zip pouch packing. JustSpices comes in 200gm, 500gm and 1kg packing with 3-layer International food standard packing. JustSpices is making big strides on Indian Online Ecommerce platforms like - Amazon, Flipkart and many more.

Crorepati

Our affordable yet high-quality spices brand which is very popular among grocery stores in north-India. To be specific a good chunk of this brand's products are purchased in the state of Maharashtra.

Our Process

STAGE 1

Scouting and Procure from Farms

STAGE 2

Processing in our specialised Machineries

STAGE 3

Packaging to customer's demand

Our Facilities

Cold Storage

To preserve freshness & aroma of our spices, we have invested in a state-of-art in-house cold storage facility. Our team is committed to provide highest-quality spices all year round, having appropriate arrangements for an in-house cold Storage Facility.

Cleaning Machine 1&2

We believe in providing the best when it comes to Quality as well as customer satisfaction. We are enriched with 2 In-house spices processing units which can output 24 mt per day each.

Cleaning Machine 1

Cleaning Machine 2
